

GEORGIAN COLLEGE

Georgian College is more than a collection of campuses and programs -we're a community. This means we are here for you every step of the way and genuinely want you to succeed. It also means small class sizes, great student services and friendly staff and faculty who care.

Georgian is extremely proud to be the gold winner of the 2022 Indigenous Education Excellence Award, presented by Colleges and Institutes Canada (CICan).

The Indigenous Education Excellence Award recognizes a college or institute that has a demonstrated commitment to Indigenous education through innovative approaches and dedicated structures, curriculum, holistic support services and community partnerships that contribute to learner success, as well as socio-economic development and reconciliation within communities. We will continue to work toward these commitments through our new Maajishkaadaa (Lets Move Forward Together) Indigenous Strategy.

Our Indigenous focused programs include a blend of contemporary and traditional teaching methods, with Indigenous cultural values and perspectives embedded in the curriculum. Our goal is to provide our students with exceptional learning experiences that enhance all areas of their life – physical, mental, emotional and spiritual.

A few highlights:

Enjoy a home away from home experience in one of our 4 Indigenous Resource Centres and take part in a range of opportunities offered such as, cultural gatherings and teachings, hands on workshops, guest speakers, special events throughout the year, join in on the planning of our annual pow wow and more.
