## La Cité universitaire francophone at the University of Regina - The ideal setting for a bilingual university experience

The goal of *La Cité universitaire francophone (La Cité)* is to fulfill the university education needs of Saskatchewan's Francophones, whatever their first language. It plays an active role in the cultural, linguistic and professional development of the Fransaskois community by offering credit and non-credit courses and programs. La Cité fosters an accessible and stimulating Francophone environment and living space on the University of Regina campus.

### Why Study at La Cité?

- Lots of scholarships for studies in French
- Personalized academic advising
- Smaller classes and closer relationships with teaching faculty
- Improve your language and communications skills
- Expand your career and travel options
- Access numerous services like free tutoring and activities in French
- A building dedicated to French & La Rotonde, a common area with free coffee, books and movies where students can study and relax

### PROGRAM OFFERINGS

#### Bilingual Nursing

<https://lacite.uregina.ca/en/uni/programs/nursing>

Unique in Saskatchewan and with lots of scholarships, this bilingual program offers 50% of the courses in French and 50% in English. To be admitted, you need an intermediate or advanced level in both languages. Saskatchewan needs nurses so it is a safe career path!

#### Certificate in French as a Second Language

<https://lacite.uregina.ca/en/uni/programs/cfls>

You have a beginner level in French and you want to improve your skills? This 8-month program is the fastest way to achieve an advanced intermediate level of spoken and written French while staying in Regina! The only program of its kind west of New Brunswick, the top-quality certificate can prepare you for a bilingual job in Canada or abroad! The program starts every September and students learn in small groups in an immersive environment while getting to know the Fransaskois community.

#### Bilingual Minor in African Studies

This is an introductory course to African history, culture, politics, social realities and it allows students to develop intercultural understanding and critical thinking. A study abroad option in Francophone Africa is offered every two years.

#### Le BAC (French Education)

Saskatchewan needs French teachers!
